Briefing:

Intelligence reports indicate that an **enemy faction** has stolen a newly developed BOM and have activated it. One of our operatives who passed on this intel has also been captured and needs to be rescued. Both are believed to be hidden in a heavily guarded airsoftfactory.be

Your mission is to retrieve our operative and deactivate the BOM. While eliminating any opposition.

Alpha and Bravo will each be led by a designated team captain working together on this mission. Within each team, there are two specialized sub-teams: **Alpha 1 (Assault)**, **Alpha 2 (Spotter / Intel)**, **Bravo 1 (Infiltration)**, and **Bravo 2 (Demolition)**.

Roles and Tasks:

1. Alpha 1 (Assault): +Rode 101 Inc Arm Bands

- Role: Frontline attackers responsible for engaging the enemy head-on.
- Tasks:
 - Secure key checkpoints and strategic locations.
 - Provide cover fire for other squads.
 - Eliminate enemy forces guarding the compound.

2. Alpha 2 (Spotter/Intel recon): + Gele 101 Inc arm Bands

- Role: Long-range reconnaissance and precision shooting.
- Tasks:
 - Locate and eliminate enemy snipers.
 - Provide overwatch for Alpha 1 during advances.
 - Gather intelligence on enemy movements within the compound.

3. **Bravo 1 (Infiltration): + Gele 101 Inc arm bands**

- Role: Stealth and infiltration specialists.
- Tasks:
 - Infiltrate the enemy perimeter undetected.
 - Gather information on enemy positions and defenses.
 - Disable security systems and create diversions.

4. **Bravo 2 (Demolition): + Rode 101 Inc arm bands**

- Role: Explosives and breaching experts.
- Tasks:
 - Destroy key enemy installations.
 - Breach the compound's defenses.
 - Create distractions to divert enemy attention.

Team Captains:

• **Alpha Team Captain:**

- Coordinates overall strategy for Alpha Team.
- Communicates with sub-teams to ensure a synchronized approach.
- Acts as a liaison between Alpha Team and command.

• **Bravo Team Captain:**

- Coordinates overall strategy for Bravo Team.
- Communicates with sub-teams to ensure a synchronized approach.
- Acts as a liaison between Bravo Team and command.

Rules of Engagement:

1. Each squad must communicate effectively through RADIO's. These will be included in the game.
2. Any Intel on key enemy installations and locations must be communicated to your team captain to ensure strategic coordination of both **Alpha** en **Bravo** squads

Remember, success depends on strategic coordination and effective use of each sub-team's unique skills.

Good luck, operatives!
